Published by students at Long Beach High School
Long Beach, Mississippi

Dedication . . .

... to Mr. Joe Johnson

In recognition of his dedication, companionship, and involvement, the annual staff proudly dedicates the 1982 *Sea Gull*...

To a friend whose companionship is with us even in his absence, whose humor brightens our every day, whose concern for us is sincere and unceasing;

To a teacher whose instruction has led us to greater opportunities, whose patience in the classroom helps us to learn in a relaxed atmosphere, whose intelligence has inspired us with a desire to learn; and

To an adviser whose enthusiasm sparks the motivation to succeed, whose encouragement gives us confidence, whose support is unlimited in our times of greatest need,

To our friend, teacher, and adviser, we proudly dedicate the 1982 *Sea Gull* to

Mr. Joe Johnson

Mr. Johnson attended Mississippi State University for four years before receiving his master's degree in education from the University of Mississippi. To further his education, Mr. Johnson took graduate courses at the University of Southern Mississippi.

After teaching three years in McComb, Mississippi, Mr. Johnson found his way to Long Beach High School where he has been employed for the past eight years. During these years, Mr. Johnson has taught Marketing I, Marketing II, and distributive education at Long Beach High School.

As a family man, Mr. Johnson and his wife Cindy are the proud parents of two boys, Lee and David. In his spare time, Mr. Johnson enjoys swimming, fishing, and playing his guitar.

The Best Years of Our Lives

As the lights are dimmed and the curtains are drawn, projected on the silver screen is "The Best Years of Our Lives." Some remember this as an Academy Award-winning film of 1946. We see it as the past, present, and future experiences of our lives featured at Long Beach High School.

The memories include those of joy and sor-

row, laughter and tears. Reminiscing, we realize our good times were the best, and our bad times strengthened us and gave us wisdom.

Focusing on the future, we recall our days at Long Beach High School as "The Best Years of Our Lives."

Reflections of Our Years at L.B.H.S.

As our senior year comes to a close, we pause to reflect on our days at Long Beach High School.

Together, we cautiously approached the reality of high school as sophomores. Gradually we "got the hang of" raising money, winning pep rallies, and the hectic schedule of high school life. Side by side we constructed and proudly presented our first float, which won second place.

In our year of growing and learning, we experienced the challenges of a changing school and society. New classrooms, a one-night Homecoming, and saying "good-bye" to a few of our teachers marked only a few of the changes we experienced as juniors. We watched the triumphant return of our hostages. Shocked, we witnessed the attempted assassination of newly-elected President Reagan. With sorrow, we mourned the death of John Lennon. As juniors, we proved our dedication and abilities not only in the classroom, but also in our presentation of the Junior Class play and planning of the 1981 Junior-Senior Prom.

At last it was our senior year. The shortened days during the hot weather flew by all too quickly, and three weeks of our last year were gone. Senior portraits arrived just as we had begun to accept ourselves as seniors. The Senior Class play and cast party proved to be exciting and memorable experiences that were over all too soon. On a winning streak, we won first place with our spirit chain, our fantastic float, and claimed the spirit stick for our own at Homecoming 1981.

Christmas holidays came and went, and with them passed the midpoint of our senior year. Spring vacation was a reprieve that allowed us time to realize that few days of our final year were left. Prom and graduation lurked in the fast-approaching future.

As our last days draw near, we prepare to bid our last farewell. Tearfully, we will break away from the bonds of high school as we stand with diplomas in hand on graduation night. With fond memories and hopeful expectations secured within our hearts, we will gaze at the future, soon to be apart but always . . . together.

Senior Class of 1983

One down and one to go in our years at L.B.H.S! Juniors leave the confusion of the Sophomore year behind and embark on the new experiences and opportunities in our second year at L.B.H.S. Selecting rings, taking complicated tests for — can you believe it — college, and planning the Junior-Senior Prom are only a few of the challenges of this year in-between. Looking ahead, Juniors can see on the horizon the shining of our final goal at L.B.H.S.; graduating as the Class of '83!

Senior Class of 1984

Confusion strikes as Sophomores embark on a brand new journey — high school life. A new school, new teachers, and new people are all around.

Sophomores barely grasp the hectic schedule of high school life before Homecoming arrives, and one can see the panic in a Sophomore's eyes . . . "We've got to build one of *those* things??"

The most difficult thing about being a Sophomore, though, is becoming the "little guy" again. 1984 seems so far away!

Congratulations to the 1981-82 *Sea Gull* staff and their sponsor, Mrs. Kathryn Baker, for another outstanding record of the past year's activities and events. The many long, tedious hours spent and the great effort on their part can only be exemplified by this final product — a fine publication.

Each of you has had a part in the success of this school year and you are to be congratulated for your contributions. May each one of you be proud that you were a part of this 1981-82 school year and a part of our great American heritage.

Good luck, and may the years ahead be filled with many rewarding opportunities for each of you because you deserve the very best. Always remember that "luck is what happens when preparation meets opportunity."

A mighty Tree of Giant Strength
With Branches fixed so low.
That all may grasp its lower Limbs.
Was planted years ago.
'Twas planted by Almighty Power.
With Purpose most sublime,
It's Praise is sung by every Tongue
In every Land and Clime.

The Tree of Learning is the Work
Of Nature's highest Art,
And Men and Women are but Leaves
A very simple Part
But thro these leaves the Tree breathes Life
And this Empyrean Tree
Will stand a living Monument
Throughout Eternity

"The Sound of Music" can be heard from the band hall and the choir room, and the many clubs work like "Neighbors" to solve their "Modern Problems" during activity period, after school, and often on weekends. Students can find something to interest them at L.B.H.S. whether it be a club, organization, or activity to work for and enjoy.

Planning pages with pictures that fit, writing copy, and selling ads are just "Modern Problems" in publishing the L.B.H.S. annual. Though the threat of deadlines "Taps" the time and patience of the staff and sponsor, "Time Bandits" do not keep the annual from publication. Hard Work Produce "Bearcat Press"

The *Bearcat Press*, the school news publication at L.B.H.S., is the result of a combination of talent, cooperation, and hard work on behalf of a concerned group of students and a dedicated sponsor. As the staff completes each of five issues published, the students of the journalism class learn first-hand of the duties and responsibilities of collecting, writing, and reporting on activities, events, and people for a source of accurate and interesting information. As a staff, the editors and department heads who are elected by the journalism students work comfortably together in a friendly, rewarding, environment. Mrs. Gurneck, as

sponsor of the *Bearcat Press* and instructor of journalism, guides the journalism students to develop a sound knowledge of journalism techniques. Incorporated in the serious business of publishing a newspaper is a mood of humor and wit that is a predominant part of producing the *Bearcat Press*.

"To work with the staff of the *Bearcat Press* is an experience to remember because of the valuable knowledge and friends gained by being a part of Gurnelism. Each student contributes numerous talents and countless hours to put together each issue of the *Bearcat Press*," said Kristen Long, editor.

F.B.L.A., Future Business Leaders of America, is for students who are interested in preparing for careers in business. In order to be a member, the students must be taking a business course.

In August, the 1981-82 installation of officers was held. The guest speaker, Mr. Watson Butts, spoke to the students about the business world.

This year among many other activities, F.B.L.A. sold stationary to raise money for the F.B.L.A. convention. The convention was held in Biloxi, Mississippi. F.B.L.A. filled Christmas stockings for the students who were injured in the car accident in mid-November.

LBHS Band "Can't Stop the Music"

Long before the school year started, the band was busy at work practicing for the upcoming marching season. The band could be described by the title of the movie, "Can't Stop the Music." Under the new direction of Mr. Tom McCracken, the band received all superior ratings at both the Gulf Coast Marching Festival and the Picayune Marching Festival.

The band received an invitation to participate in a parade at Disneyworld in Orlando, Florida, and successfully raised enough money to attend. Some of the fund-raising projects included selling cheese and candles.

In addition to the competitions, the band participated at pep rallies, football games, and parades. The band finished the year with the State Band Festival in Jackson and a spring concert.

Hard work, dedication, and pride make the Long Beach High School band one of the outstanding bands on the Gulf Coast.

Aeonian Mount

The *Aeonian Mount*, L.B.H.S.'s literary magazine, is an organization made up of students who are interested in creative writing and art. Students of Long Beach High School submit artwork, short stories, poetry, fiction, and non-fiction. To inspire students to submit their work, every year the club sponsors an art contest and a short story contest. This year, Sara Smith received ten dollars for the best artwork submitted.

Each work submitted is judged by the editorial staff, using a system of 1 to 5 (with 5 being the highest). Members of the staff choose what goes in and put the magazine in order. Faculty adviser, Mrs. Phyllis Hammack, supervises the staff.

To raise money, the group held a water balloon throwing booth at Harper McCaughn Elementary's Halloween Carnival. Students and teachers participated, both in throwing and as targets. It was a "shower" of fun! The *Aeonian Mount* also sponsored a square dance exhibition in the gym and sold Lance products. This year the club received \$150 from the school board to help pay for the publication of the magazine, but the great majority of publication costs are paid for through the fund-raising efforts of staff members.

The Concert Choir placed fourth in the Tenth Annual International Youth Festival in Vienna, Austria. Austria was the location of the movie "The Sound of Music." Pictures of their trip are on page 13.

The choir hosted the Choral Festival in the coliseum. Again, the choir received all superiors. The Choral Festival also marked the debut of the new performing group, the Mam-zels. The choir participated in the Annual Christmas Sing-A-Long and gave Christmas and spring concerts. The choir also received superior ratings at District Competition.

"Hey! Catch up, y'all!!!"

Along with competitions, the concert choir performs before audiences all along the coast — from Kessler Air Force Base to National Space Technology Laboratories in Bay St. Louis — for students, senior citizens, patrons of the arts, churches and community service clubs.

Thrilling, exciting, emotional, beautiful, fun, and tiring. All these words and more describe the tour of Germany and Austria made by the choir members. From concerts in the magnificent 12-14 century castles and cathedrals to impromptu after-dinner programs, the choir members warmed the hearts of everyone they met.

As the singers relive and reflect on the trip with many slides and pictures, a little sadness creeps in. It was so lovely but is now over. But the memories we will cherish forever.

Lisa Reaux, Rachael Hetherington, and Terri Martinelli gave memories to the audience and to themselves during the Spring Show.

Proves That L.B.H.S. Spirit Is Spectacular!

Cheerleaders and their helpers show their spirit at the pep rally.

After an interminable wait, the last game of the season, Homecoming 1981, finally arrived. The day dawned bright and clear, a perfect atmosphere for the excitement and spirit we could no longer conceal.

Throughout Homecoming week, we dressed as the day dictated. Monday was the traditional '50s Day, Tuesday we did our own thing, Wednesday was Gilley's Day, and Thursday we dressed as Punk-Rockers. We filled the week with activities such as the sock-hop, punk-dance, and the hilarious Derby Day.

On Friday, which we named Spirit Spectacular Day, Long Beach students set out to show the town what "Spirit Spectacular" really means. With unflinching determination and energy, we proved at the pep rally, parade, and the game that our spirit is truly spectacular!

"What's wrong you don't like my tie?"

"Do your own thing" days?!?"

Above: Homecoming pep-rally.

Eddie and Lisa tear up the dance floor on '50s Day.

"We rode the bull at Gilley's!"

We Shared Memories of

Homecoming 1981 marked a number of memorable events that seem to touch our lives for only an instant, as found in the lyrics of our theme song, "Just Once."

Together we experienced a defeat on the football field, but together we exulted in the excitement of our Homecoming dance at the Buena Vista Hotel, forgetting our losses and remembering the special moments that we shared. We smiled for our Homecoming pictures and danced the night away to the electric beat of "Desire."

In one night, our memories were increased with countless joyful experiences. For the rest of our lives, we shall hold in our hearts and minds the happiness and warmth we shared during Homecoming 1981.

The Long Beach High School volleyball team had a successful season this year. Earlier in the year, the players practiced long hours and worked hard toward their goal — a winning season. Although the season began slowly, the team members strived forward, showing great spirit and determination. The new coach, Martha Batson, encouraged the team on to many victories over strong opponents. The volleyball team placed third in district competition, with Lynn Stephens making the all-district team.

"With outstanding team effort, the Long Beach High School boys' basketball team had the first winning season in at least ten years. The boys won the Bay High Invitational Tournament for the first time ever. The Bearcats were led by senior, George Thompkins, who led the team in scoring with an average of 13 points per game. Other senior standouts were Vice Spencer, Hank D'Aquilla, and Gary Taylor. Spencer led the team in free throw percentage, rebounds, and steals. Spencer averaged 11 points per game. D'Aquilla had the highest field goal percentage. He averaged 9 points per game. Taylor was an outstanding defense player, and he was second to Thompkins in assists.

Starters returning for next year include Mike Hawkins and Alex Lawson. Hawkins was second in field goal percentage and the leading rebounder. He averaged 9 points per game. Lawson was the second leading scorer with 11.2 points per game.

The team was an excellent group to work with, and they were a pleasure to coach. L.B.H.S. basketball is coming on strong."

"The 1981-82 basketball team was a group comprised mostly of sophomores and juniors. With only two seniors returning, Mary Johnson and DeeAnne Schultz, the season was characteristic of a rebuilding year. Although the team put forth its best effort, with the added experience, physical maturity, team play, and confidence gained this year, we are looking forward to a more successful season next year. I would like to thank the student body for their support during the season."

Cheerleaders Win Again!

The L.B.H.S. Cheerleaders started off the year as they have for the past three years — as the best cheerleaders in the region. For the fourth year they were awarded District Championship at the Ole Miss Cheerleading Camp in July. Beside them all the way with support and encouragement has been sponsor Mrs. Gerri Anne Partridge.

The cheerleaders supported the Bearcat football team through a winning season, and kept spirits high at Friday afternoon pep rallies.

Basketball season kept them cheering as the boys' and girls' teams dribbled the season away.

"The 1981-82 Football Squad was another group of fine young men that I enjoyed working with. We lost some close ballgames that we could have won had we gotten a break here and there. As it was, we completed another winning season and our twenty-four seniors can be proud of the fact that they did not have a losing season while they competed in our varsity football program." — Coach Tom Boszor.

Remember . . .

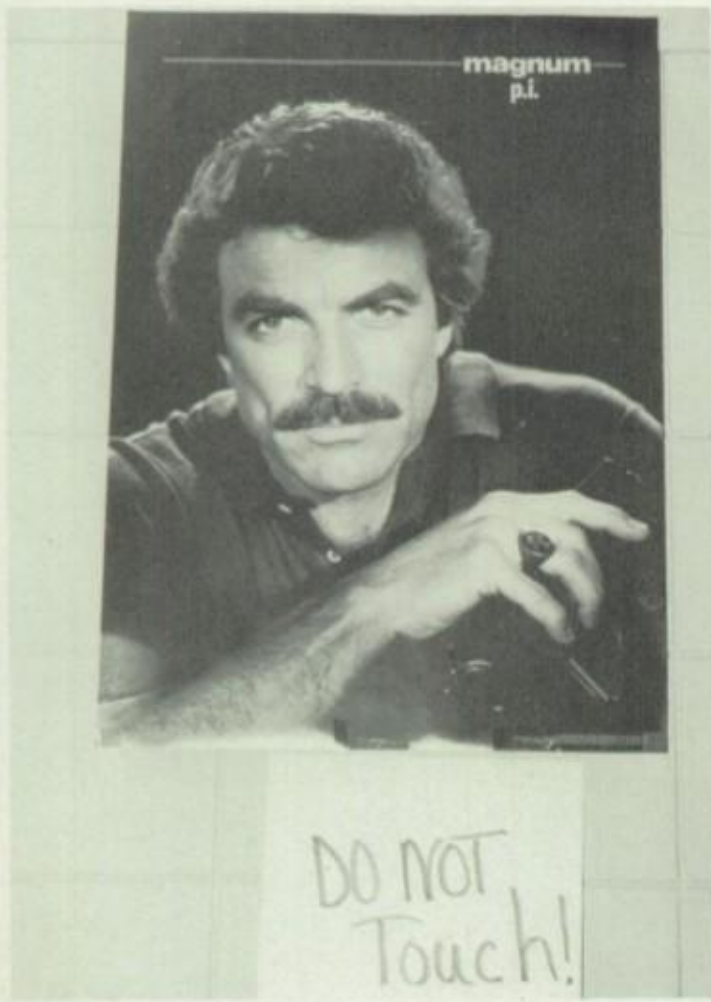

Jr. L Initiation

Walls and Halls

It takes a real lift to hold that "Nose!"

Freshmen are "No. 1!!!"

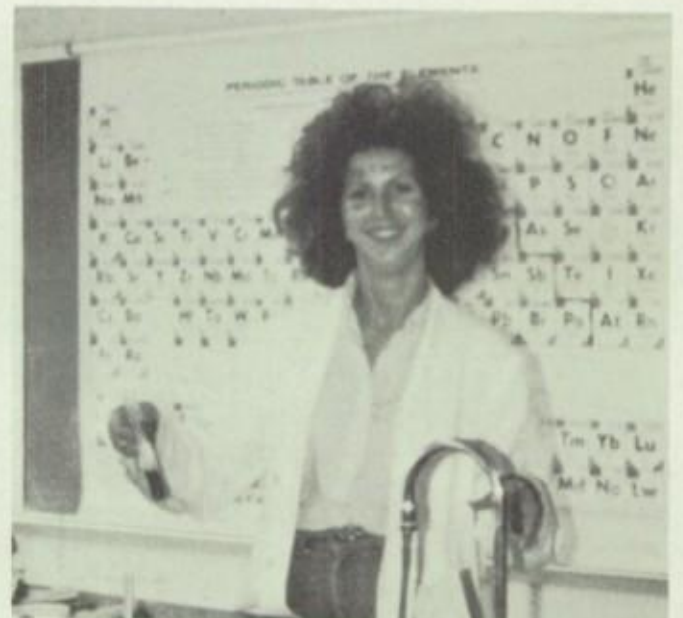

"How funky is your chicken; How loose is your goose??"

Eat your heart out, "Magnum!"

"Blonde hair, Blue eyes . . . Ahhhhh!"

The "Mad" Scientist or is it "Egor?"

I will be "old and gray" before he calls.

"Ohhh," Magnum; "My Love."

Farewell, Miss Peden

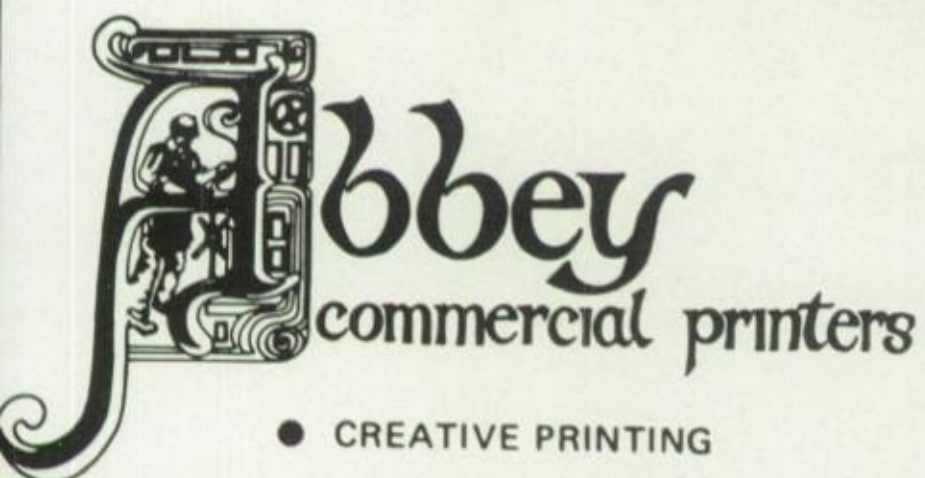

The Annual Staff wishes to dedicate our last page to salute our former Bearcat Chatter and annual sponsor, Miss Peggy Peden, who has moved to the Virgin Islands. We expect that she is enjoying the leisure of the tropic scene, and we wish her all the adventure and romance that a kindly providence can provide. Her sense of humor and her knowledge are still missed. Sooo long, Mr. Bill!
